

Squeaky Wheel Adventures is a travel camp for Maine kids in foster care, other out-of-home care and children that have been adopted.

Island Living / 5-day

This five day trip will take us to several great spots along the coast of New England. We will start our trip **sea kayaking** on an estuary in Bath, Maine. From here we will continue a little further south to **Sturdivant Island** for the night. Sturdivant Island is accessed by a short boat ride from Falmouth, ME and the “family camp” that we stay at is a great location to relax and spend the night together. On Thursday we will continue our fun on Sturdivant Island before making our way back to the mainland and traveling to **Peter’s Pond Resort** in Sandwich, Massachusetts which will become our base camp for the next three nights. Peter’s Pond Resort is one of the finest campgrounds in **Cape Cod** and is situated along the shores of a beautiful spring-fed lake.

Friday will be spent on **Martha’s Vineyard**. We will rise early to catch the 9:00 am **Island Queen Ferry** to the island. Once on Martha’s Vineyard we will get our rental bikes and spend the majority of our day splitting our time **sightseeing, biking and swimming**. They say that “Martha’s Vineyard develops a fever in the hearts of those who come here from which they never recover.”

On Saturday we will spend the day learning more about Cape Cod. We will have another good camp breakfast before helping the local community by volunteering at the **Upper Cape Helping Hands food pantry**. Afterwards we will spend the rest of the day exploring and having fun.

On our way back to Maine on Sunday we will be making a stop in Boston. In the city we will see some sites like **Faneuil Hall, Quincy Market and Boston Commons** before returning home.
