

Squeaky Wheel Adventures is a travel camp for Maine kids in foster care, other out-of-home care and children that have been adopted.

## Caves, Chickens & The Corkscrew / 4-day

Travel with us in our custom **eco-friendly 12 bunk entertainer coach** as we see some of New Hampshire's treasures. We will first drive to **White Gates Farm** in Tamworth, NH where we will stay for the next couple of days. Once we arrive we will spend the rest of the day learning the layout of the farm and exploring this incredible area of the White Mountains. Activities in New Hampshire include swimming in **The Potholes** (great spot on a river with deep pools) and hiking to **Big Rock Cave**. During our second day at White Gates Farm we will get a little dirty while we lend a hand around the farm and with their biodiesel business, **Our Town Biodiesel**. We are not sure exactly what our duties on the farm will include, but we can be assured that there is always work to be done on a farm from harvesting the morning eggs, feeding the pigs, weeding the field or planting new seedlings. While at the farm we will also get to enjoy some of our hardwork in the form of fresh food! Our time at the farm will be a great blend of helping, learning and having fun around this area of New Hampshire.

On Wednesday morning after another delicious camp breakfast we will pack-up camp early and head further into New Hampshire to **Canobie Lake Amusement Park**. From thrilling rides and roller coasters to their water park, there is something at Canobie Lake Park for everyone.

We will spend our last night together with a campfire, stories and s'mores at **Angle Pond Campground** in Sandown, NH. In the morning we will have the morning to relax at camp, play games and swim in the lake before leaving for Maine.

**July 23rd to 26th**
