

Squeaky Wheel Adventures is a travel camp for Maine kids in foster care, other out-of-home care and children that have been adopted.

The Big Apple / 5-day

We are headed to **NEW YORK CITY** for the third time but this time it is on the **4th of July!** Our first day will take us to Riverdale Farm Campground in Clinton, CT where we will get ready to go into the city in the morning. There is always so much to see in NYC and there will be a LOT of WALKING. This year, with our new bus, we will be staying at **Liberty Harbor RV Park** which is just across the Hudson River with a commanding view of Manhattan.

We will spend two nights at Liberty Harbor RV which will allow us to spend two complete days exploring the city and all that it has to offer. The day we arrive in the city we will take a driving tour in the bus of upper

and mid Manhattan including areas like **Harlem**. We will walk through **Times Square** and hike in **Central Park**. The second day in NYC we will take the ferry from **Liberty State Park** (within walking distance from the campground) to Liberty Island to view the **Statue of Liberty** up close and then continue our ferry ride to Battery Park in Lower Manhattan. Once back in the city we will visit such places as **Ground Zero, Chinatown, High Line Park** and **Wall Street**. When we are ready we will travel back across the Hudson River, have dinner and get in location to watch a huge fireworks show.

On day four we will leave the city and drive north to Lee, NH and Wadleigh Falls Campground where we will enjoy our final night at camp. The last day we will cool off at **Water Country Water Park** in Portsmouth, NH.
